ABOUT ME

Computer Science student, Microsoft Student Ambassador and Amazon FBA/FBM Consultant. Passionate and dedicated to take your Amazon business to the next level.

WORK EXPERIENCE

2019 - CURRENT

Amazon FBA/FBM Consultant and Strategist

I have 2+ years experience in Amazon FBA/FBM consultation and A-Z services where I manage the entire seller central for my clients that includes product hunting, sourcing, logistics, ranking, PPC campaigns and order management services. So, basically, I manage their entire Amazon business on their behalf. I have launched multiple products in USA, Canada and European marketplaces so far and all of them have been successful.

Microsoft Student Partner

Microsoft

Microsoft Student Partner is a universally recognized program by Microsoft to sponsor students majoring in programs related to Computer and Technology. It is not a job but a recognition and is comprised of courses and modules around which the entire Microsoft technology revolves. The main goal is to enhance employability of students by equipping them with skills which are not usually taught in educational institutions.

01/08/2017 - 17/09/2018 - Islamabad, Pakistan

Senior Content Writer

Money Times

I worked as a senior content writer at Money Times. It was basically a house-based job. Money Times is a Netherlands based News network website. My job was to search for ongoing international news mostly in the domain of economics and technology and write about them.
